STEP

A traditional, high-intensity, low-impact, fat-burning workout using one or more steps.

R.I.P.P.E.D.

A "Plateau Proof Fitness Formula" that combines resistance, intervals, power, plyometrics, and endurance to help you lose pounds and inches, increase your metabolism, and improve your cardiovascular health.

BOOTCAMP

Athletic moves and drills combine with Resistance Training for total body conditioning.

PUMP

An easy to follow class using individual barbells for high repetition routines that will burn fat while defining all the major muscle groups.

YOGA

Restore and renew your mind, body and spirit with this relaxation and flexibility focused workout!

CARDIO DANCE

Traditional routines using Cardio and Dance moves for a Heart-pumping workout!

FUSION

Any blend of two or more of our classes into one unique workout providing variety and multiple benefits.

FUNCTIONAL FITNESS

Class focus is on using multiple muscle and joints to improve muscular strength, coordination, balance, and posture for a total body workout that conditions the participant for everyday activities. Excellent class choice for anyone desiring a non-impact format.

ZUMBA TONING®

The challenge of adding resistance by using light weights helps you focus on specific muscle groups, so you (and your muscles) stay engaged!

ZUMBA FITNESS®

Are you ready to party yourself into shape? That's exactly what the Zumba® program is all about. It's an exhilarating, effective dance fitness-party™ that's moving millions of people toward joy and health.

STABILITY BALL

Stability balls can be a challenging way to add variety and fun to your workout while improving core stability and balance. Stability balls are used during class for cardio, strengthening and stretching
